

High School Will Open Football Schedule Here

Douglas Will Be Here On
Saturday To Play
Wolverines

The Tahoe-Truckee Wolverines will open their football season Saturday, September 18, at 2:30 p.m. They will meet the Douglas High School on the new field behind the Tahoe-Truckee High School.

This year the Wolverines are playing from a split-T formation.

Complete roster of team is: Fullback, Bob Trask, Floyd Cooper, Dick Mandeville, Fred Schultz; tackles, Clayton Spining, Frank Giovannoni, Jim Crawford, Mill McClain, Bob Sach; ends, Kit Schull, Doug Cooke, Lewis Fellows, Jack VanHooser, Aaron Thomas; guards, Scott Gilmore, Ken Lavery, Mike View, Mike Lowry, Tom Dolley; centers, Jim Harris, Jim Bwden, Jay Mandeville; quarterback, Pat Griffith, Roger Holbrook, Jay Stuart; halfback, Tom Sheehan, Bob Sanford, Mickey Williams, Richard Griffith, Lynn Harris, John Wood, Ken Osburn, Barry Graon, Bob Molsberry, John Nickelson, Jerry Thomkins, Dean Holbrook.

Starting lineup for Saturday's game is: re Lewis Fellows, rt, Frank Giovannoni, rg, Tom Dolley, c, Jim Bowden; lg, Ken Lavery; lt, Bill McClain; le, Aaron Thomas; qb, Roger Holbrook; rh, Mickey Williams; lh, Bob Sanford; db, Dick Mandeville. Head manager, Dave View. Coach is Jim Brehler.

Following the game the Tahoe-Truckee students will be hosts to the Douglas students at the first dance of the new school year.

LAST RITES HELD IN CAPITAL FOR DR. J. GORDON MACKAY

Funeral services were held at Auburn and cremation at East Lawn in Sacramento on Tuesday for Dr. John Gordon Mackay who was a well known physician in Truckee before going to Auburn in 1911.

Dr. Mackay was at the family summer home near the Palisades on Donner Summit when he was stricken. He was a native of Ontario, Canada, and a member of Clay Lodge F.A.M., Dutch Flat; Auburn Commandery Knights Templars, Ben Ali Shrine in Sacramento, Sacramento Order of Elks, Tahoe Club in Auburn, Tri County Medical Association, American Medical Association and an honorary member of Donner Post 1942, Veterans of Foreign Wars, Auburn.

His widow is the former Margaret Marzen of Truckee, where the couple were married. A son, Jack, and four grandchildren, all of Auburn are survivors.

DONNER COMPANY GETS WATER PERMIT

The controversial question of whether or not a certificate of public convenience and necessity be granted the Donner Lake Water Company to provide a domestic water service at the east end of Donner Lake was decided this week by the Public Utilities Commission of California which issued the certificate. Issuance was granted after the directors of the Truckee Public Utility District voted to withdraw objection to the issuance of the certificate.

Details will be published in next week's Sierra Sun.

GIFTS TO HOSPITAL ANNOUNCED HERE

Administrator J. J. McGlade of the Tahoe Forest Hospital this week acknowledged with thanks a gift of \$750 from Mrs. Vivian Summerfield for the purchase of a Bowie-Elector surgical unit to further increase the efficiency of the institution.

Mrs. Frances Revell Wallace, of Crystal Bay, a frequent donor to the hospital this week added to the memorial fund in behalf of Ramsay Moran.

Mrs. Ray McCarty of Soda Springs donated 100 day lily bulbs and promises to add iris and other bulbs which will be planted to adorn the gardens at the hospital.

Mrs. Wakefield Feted At Shower By Friends

Mrs. Kenneth Hedlund was hostess at a card party feting Mrs. Al Wakefield on Tuesday evening.

A shower of gifts, predominantly blue and pink were opened by the guest of honor. The miniature figures decorating the table indicated the party theme.

Those present included: Mesdames Cliff Ellis, Doris Ray, Lorrin Ferdinand, Russell York, John Gracik, James Walker, Lauren Leasell, Jack Neugebauer, Robert Leamon, John Street, Clarence Osburn, Harry Digesti, Kenneth Foster and Charles Osburn.

Lt. Gov. Powers Will Give Address Here On Monday

Lieut. Gov. Harold J. (Butch) Powers will address a meeting of the Truckee Rotary Club at Donner Lake Lodge Monday evening and all other service club members and their guests in this area and at Lake Tahoe have been invited to join for the occasion.

Powers of Alturas, is a candidate for election at the November general election. He was appointed to his present position when Gov. Goodwin J. Knight assumed the governorship when Earl Warren went to the supreme court.

At the meeting of the Rotary last Monday, the group donated a blood bank refrigerator to the Tahoe Forest Hospital. John J. McGlade, hospital administrator, was a guest at the session and expressed the appreciation of the hospital for the valuable gift.

Humbert Ciardella, Jr., who recently was discharged from the navy as weatherman, spoke before the meeting on weather forecasting and maps, a most interesting and enlightening program. Roy White of Loyola was a visiting Rotarian. Johnny Ciardella was program chairman and Alvah Hooper presided.

Reception For Teachers Given By PTA; New Committees Selected

Nearly fifty persons attended the teachers reception and meeting of the Parents Teachers Association held in the Truckee Elementary School Monday evening, with Mrs. Gilbert Kumle presiding. Each member of the faculty was presented with a small welcoming gift and refreshments were served at the close of the affair. The second grade, taught by Mrs. Ed Trask was given the attendance award.

Mrs. Kumle named the present officers, chairmen and room mothers for the coming year, as follows: Mrs. David Rose, secretary; Mrs. Charles Kay, treasurer; Douglas Wilson, parliamentarian; Mrs. Frank Giovannoni, first vice and program; Lynn Kishbaugh, second vice and program; Mrs. Chester Marquis, hospitality; Mrs. Ed Trask, music; Mrs. C. Patouide and Mrs. Oliver Scow, health; Mrs. James Walker, magazines; Mrs. Glenn Lee, historian; Mrs. Robert Leamon, publicity; Mrs. Ray Hintz and Mrs. John Gracik, membership.

Room mothers of kindergarten are Mrs. Roy Waters and Mrs. B. King; Mrs. John Finnegan and Mrs. Sterling A. Ralphs, first grade; Mrs. Robert Leamon and Mrs. Douglas Wilson, second grade; Mrs. Charles Kay and Mrs. Lester Braasch, third grade; Mrs. David Rose and Mrs. Glenn Lee, fourth grade; Mrs. Gilbert Kumle, Mrs. James Walker, Mrs. Wilber Glenn, fifth grade; Mrs. Frank Giovannoni, Mrs. Lynn Kishbaugh and Mrs. Harry Barnes, sixth grade.

Mrs. Curran Honored At Pink, Blue Shower

Mrs. William Curran was the guest of honor at a pink and blue shower given on Thursday evening by Mrs. Chet Burns. Games were played before the hostess served dessert.

A decorated bassinet held the gifts presented to the honoree by the following friends: Mesdames William Englehart, William Englehart, Jr., Ken Hedlund, Jack Ellis, Reg Smart, Louis Carutcheberry, M. E. Brown, Glenn Coffey, James Cooper and Hugh Weinand.

Grand Officer Of Pythian Sisters Will Visit Here

Faye Hardwick, grand chief of the Pythian Sisters Lodge of California, accompanied by Florence Rankin, grand senior of the statewide organization will be feted at a dinner in the Methodist Church on Thursday evening, September 23 at 6 p.m. before an official visit to Summit Temple, No. 79, Pythian Sisters.

Reservations for the dinner may be made by contacting Mrs. Wilma Johnson at 1875 or Mrs. Edith Welch at 7111.

Truckee Leads All Stations In Travel During Last Month

Popularity of Highway 40
Is Seen In Report For
August

Truckee exceeded Yermo as a port of entry into California by more than 2000 cars during August to take a strong first place among the state's 17 quarantine checking stations for the month.

The report by the State of California Department of Agriculture shows that 69,486 cars, 3467 trucks and 752 buses were checked through the Truckee station during last month. This was a drop of approximately 1000 from the July figure but all stations reported drops during the month.

Yermo, in southern California reported 67,246 cars, 2669 trucks and 486 buses.

At Meyers on Highway 50, 21,717 cars, 335 trucks and 70 buses were checked during August.

Truckee, on Highway 40 was one of the stations which reported a gain in travel over a year ago. The total for 1954 was 2000 ahead of August 1953.

The number of out-of-state cars and passengers for the month was down slightly from August of last year.

California's plant quarantine stations counted 434,000 automobiles and 1,351,000 passengers entering the state during the month. This compared with 431,000 cars and 1,342,000 passengers for August a year ago.

The number of out-of-state cars totaled 194,000, compared with 197,000 in August, 1953. Out-of-state passengers numbered 557,000, down 9000 from the eighth month of last year.

ROTARY CLUB TO FINANCE MEDICAL EQUIPMENT HERE

The Truckee Rotary Club at its Monday night meeting donated \$178 toward the purchase of a new biological refrigerator designed for medical storage for the Tahoe Forest Hospital and pledged to provide the balance of the \$250 required.

John J. McGlade, hospital administrator, spoke before the club on the need for a blood-bank storage facility here and upon conclusion, C. F. Tollefson handed him \$100 to start the collection.

Tollefson pointed out that he credited a blood bank at Sun Valley with saving his son, Terry's life during a ski accident and he felt his donation was small payment for what the family has received. Others immediately added to the fund.

McGlade appropriately thanked the club and at their request sang two solos.

Official Visit Of Lodge Head Is Announced Here

Rebekah Naomi Lodge No. 2, held a regular meeting on September 8 with Dorothy Kay, past noble grand presiding. Elsie Olson, conductress was presented with a friendship gift by Pearl Heller, district deputy. It was announced that an official visit to the local lodge will be made by Mrs. Heller on October 13. A potluck dinner will precede the session. Refreshments were served by Mrs. Olson and Lydia Pabst.

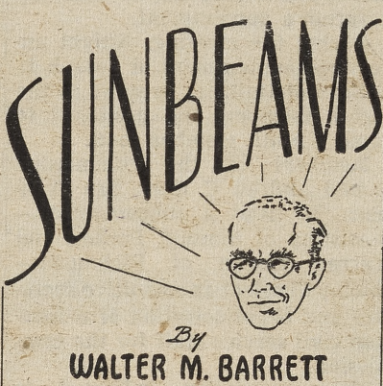

Carol Ann Quilici Will Head Girl Scout Troop

Carol Ann Quilici was elected president of Girl Scout Troop No. 2 on Monday. Rosalie Frates became vice president; Nancy Kaspien, treasurer; Cynthia Reynolds, secretary.

Mrs. Fred Pedley, leader, announced a program and study for merit badges at the meeting, attended by 15 members.

NEW SECRETARY

R. R. Frank has been selected as secretary of the Truckee Rotary Club replacing Orval Vaughan who left one time ago for San Pedro with the state department of agriculture. Frank is local distributor for the Associated Oil Company.

This week—Saturday at 2:30 p.m.—your Tahoe Truckee High School football team starts another season and invites your support. The local boys are not going to win all the games this year but they are going to be out there fighting and doing their very best, playing in a sportsman-like fashion and, win or lose, they will give their school the best representation they can in every contest. Why not go out and give them your support. You will enjoy it and it will give the team a lot of encouragement.

The Truckee Sanitary District election next Monday promises to be an interesting one. It is a healthy sign to have friendly opposition in any local contest and the voting Monday should provide sufficient interest to get out a substantial number of citizens. Vote between 1 and 7 p.m. and don't overlook this opportunity to express yourself at the polls.

Don't let the little rain storm the other night fool you; the fire hazard is still high throughout the forest and those frequenting the woods and highways are asked to continue to exercise extreme caution in handling matches, burning cigarettes and other potential fire starters. We have made a good record during this unusually dry summer and it would be a shame to spoil it now. Remember only you can prevent a forest fire.

Committee Named To Plan Wyethia Club's Fair During October

Members of the Wyethia Club appointed on the planning committee for an October country fair to be held in the Tahoe Truckee High School building were named by Mrs. Fred Pedley, president, as follows: Mesdames Elizabeth Bavier, Ray McCarty, Carroll Maynard, H. G. Beck.

An afternoon program for children, a family dinner and a show with booths to be viewed, filled with exhibits, will feature the affair.

MOREY, PORTER ON HOSPITAL BALLOTS

Only two candidates have qualified to have their names on the ballots at the November 16th election for three directors of the Tahoe Forest Hospital District.

Daven Morey, quarantine station clerk of Truckee and Warren Porter, apparel store owner at Tahoe City are the two filed, leaving one vacancy for a write-in.

Directors whose terms expire this year are: C. H. Heller, president; Nace Firpo, both of Truckee and F. B. Sederberg of Tahoe City. The three have stated they will not seek reelection.

Tahoe Weather Stays Ideal For September

TAHOE CITY—With the exception of a trace of rain Tuesday evening, the weather at Tahoe remains normal and dry. The temperature has ranged from a low of 34 on Sunday and Monday mornings to a high of 75 last Thursday.

There are ten gates open into the Truckee river and the lake level Monday stood at 6227.30 feet.

Girl Scouts Select New Officers During Meet

The Donner Girl Scout Troop met Tuesday afternoon at the Veterans' Memorial Hall to elect officers.

Those elected were Barbara Ramsay, chairman; Lois Freeman, secretary and Linda Giovannoni, treasurer. The girls also started embroidering their troop crests after a design made by Susan Scow showing a view of Donner Summit. Mrs. Oliver Scow and Mrs. Frank Giovannoni conducted the meeting.

Prospect Good As Time Nears For Hunting Deer Here

Many Bucks Reported In
District For Opening
September 25

An abundance of deer throughout the area, with prospects for good weather, leads speculators to predict one of the biggest and best hunting seasons in recent years when the season opens in this district September 25 for 30 days.

Those familiar with the herds that frequent this area, report there are more bucks than for a number of years, probably due to the light winter and while the feed has not been too good this year, the animals are reported to be in fair condition.

The limit is one buck, forked horn or better.

Other regulations include: Sale of deer or deer meat taken under a hunting license is prohibited.

Portion of deer head bearing antlers and the skin must be retained until 10 days after the close of the season and produced upon demand.

Hides with evidence of sex removed cannot be possessed.

Under special permit, obtainable from the California Department of Fish and Game, from state fish and game wardens, or from a bonded locker plant, venison may be possessed longer than 15 days after the closed season.

The skin or hide of any deer lawfully taken and possessed for 10 days following the close of the season may be sold, purchased, or tanned.

The use of one dog per hunter is permitted during the regular firearms open hunting season.

HIGH SCHOOL WILL NAME OFFICERS AT ELECTION SOON

Registration of students at the Tahoe Truckee High School for the election to be held next Friday when student body officers will be chosen, will take place Monday and Tuesday. An assembly for campaign speeches will be held Wednesday.

The election will be held as near as possible along lines of local, state and national elections.

Delegates from each of the core classes Friday met to nominate the officers. The delegates were Jay Stewart, Roger Holbrook, Linda Loynd, Doug Cook, Nancy Marquis, Kris Soltan, Don Henry, Judy Vaughn, Martin Kumle, and Vicki McKurtis.

Candidates elected are as follows:

President: Jay Stewart and Barney Gilmore.

Vice President: Roger Holbrook and Erwin Single.

Secretary: Duane Pomin and Carol Tollefson.

Treasurer: Pat Griffith and Lewis Fellows.

Faculty Advisor: Norman Dewhurst and Thelma Finger.

LEWIS LEARNS OF FATHER PASSING

G. E. Lewis, Truckee contractor, has been advised of the death of his father in New York last Saturday. Last year Mr. and Mrs. Lewis attended the golden anniversary observance of his parent's marriage and the entire family gathered on the occasion. The elder Lewis had been in apparent good health until he was stricken suddenly.

Former Local Resident Is Mother Of Infant Son

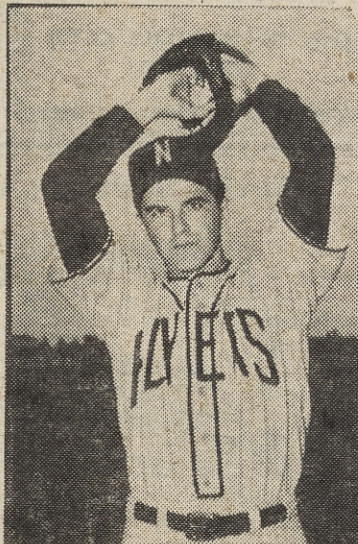

Word was received from Colfax that Mr. and Mrs. Bruce Hanford became the parents of a son, Kenneth Gordon on September 5. The boy weighed 9 pounds and 5 ounces.

His mother is the former Barbara White, daughter of Mr. and Mrs. Guy White, formerly of Truckee. Their son, Bill White, won a blue ribbon at the State Fair as a Future Farmer of America. He also won first prize in a quiz contest.

Move To Los Gatos—

Mr. and Mrs. Bernard Barrett are now living at Los Gatos.

Stars In Japan

Lou Goicoa, storekeeper third class, USN, of Truckee, is a member of the 1954 Fleet Air Japan "Navy Flyers" baseball team which won top honors in the Naval Aviation Far East command. The team also placed second in the All Navy Far East tournament and the Central Command league of Tokyo.

Increased College Tax Not Effective In Nevada County

The present 13-cent junior college tax assessed against Nevada County property owners is all that will be paid for that purpose despite reports from Auburn to the effect that a tuition tax of 18 cents will be assessed against the Tahoe Truckee Unified School District for sending students to Sierra College at Auburn.

County Clerk R. E. Deebie this week emphatically denied any increase in the Nevada County rate as a result of the action of the Placer County Board of Supervisors in voting 3 to 2 to add the 18 cents tax against the local school district, much of which is in Placer County.

"I can assure you quite definitely there will be no added tax in Nevada County," Deebie said this week. "We are not in position to say what action may be taken by the Placer board affecting that part of the school district in that county, but the 13 cents we are now paying is all that will be assessed against taxpayers in this county."

During the board meeting in Auburn recently, Supervisors L. L. Anderson and Frank Paoli were not in favor of assessing an 18-cent tax on residents of the district and asked District Attorney A. B. Broyer to make a report on the matter.

Broyer told the board members that the number of students attending college had nothing to do with the amount of tax levied.

Last year Tahoe-Truckee district sent two students to Auburn College.

When told that it was not the number of students that determined the tax rate, Supervisor Paoli answered: "I think it is time the state legislature changed the laws."

Osburn's Associated Station Gets Repairs

Workmen this week were busily engaged in installing new concrete driveways at Charles Osburn's Associated Service Station here.

At the same time all new and latest model pumps are being installed to bring the station up to the highest point of efficiency. The work will be completed next week.

In the meantime service is being continued as usual.

Driver Sentenced To Jail On Drunk Driving Charge

KINGS BEACH—George Lowry Gadby, 49, San Francisco, was sentenced to serve six months in the Placer County jail and his driver's license was suspended for one year when he appeared before Judge Harry Charrison in the Tahoe District Court Monday on a drunk driving charge.

Gadby was arrested last Thursday by State Patrolman Roy Stallard after the former's car ran off Highway 89 and was wrecked just south of the Nevada County line.

Judge Charrison said that the man's record revealed 48 arrests during the past 27 years, ranging from misdemeanors to felonies and from jail to prison terms.

Tahoe Woman Is Killed In Mishap Near Modesto

Mrs. Dingwall Fatally Hurt
When Pickup Hit
By Tanker

TAHOE CITY—Mrs. Elizabeth A. Dingwall, wife of Dr. S. M. Dingwall, well known Tahoe veterinarian, was killed almost instantly Saturday when she was thrown from a pickup truck into the path of a huge tanker near Modesto.

Mrs. Dingwall had left Tahoe City, where the family recently established an animal hospital and purchased the old Watson estate for the purpose of erecting a motel, to return her daughter, Nancy, to their former family home at LaJolla to enter school.

As she neared Modesto, the car ran out of gasoline and Mrs. Dingwall went to the nearest service station for assistance. There the attendant, whose name was not immediately learned, filled a can and took Mrs. Dingwall back to her stalled car in a pickup truck.

Nearing the Dingwall car, the driver cut across the four-lane highway, according to most reliable information, into the path of the tanker. The driver of the latter was unable to avoid striking the lighter vehicle and Mrs. Dingwall was catapulted to the highway in the path of the big truck.

The news came to this entire region as a distinct shock. The Dingwalls during their summer's residence here, had made scores of friends and were very popular. The tragedy will be deeply felt and the whole community will extend sincere sympathies to the bereaved family.

Besides her husband and daughter, Mrs. Dingwall is also survived by two sons, Bruce and Harry.

H. J. Pratt of Oceanside, took over the animal hospital operation during Dr. Dingwall's absence.

Last rites will be held at LaJolla and interment will be in the cemetery there. The time could not be determined.

DR. NELSON BUYS EQUIPMENT; WILL HAVE NEW OFFICE

Sale of the equipment in the office of the late Dr. J. B. O'Neill to Dr. L. D. Nelson following an authorized court sale Tuesday was announced today by Richard Joseph, local administrator of the estate of the late doctor.

At the same time, Joseph, who owns the office at the Gateway Shopping Center, announced that Dr. Nelson, who plans to return to Truckee shortly after January 1 to resume his local practice, has secured a lease on the location.

A number of alterations and improvements will be made to bring the offices up to highest standard for efficiency and convenience, Joseph said.

Dr. Nelson, whose tour of duty in the United States Navy ends late in December, has previously announced his intention to return to Truckee. Mrs. Nelson and their two children plan to return around October 1 to occupy their home at Gateway currently occupied by the Howard Newsham family.

Dr. Nelson expressed himself as well pleased with his new location since it offers a number of advantages, being close to the Tahoe Forest Hospital and only a block from his home. Parking facilities are adequate and with the installation of new equipment he hopes to make the offices modern in every respect.

EASTERN STAR TO HOLD MEET TUESDAY

The regular meeting of Truckee Chapter No. 116, Order of Eastern Star, will be held next Tuesday at 8 p.m. It will be advanced night when all the line officers will step up one station with Hilda Hintz presiding in the East. There will also be an initiation.

United Ski Club Files Incorporation Petition

SACRAMENTO (CNS) — The Squaw Valley-Lake Tahoe Ski Club has filed articles of incorporation with Secretary of State Frank M. Jordan. Directors are Gordon Butterfield, Charles Cross, Jr., and Peter Heuga, all of Tahoe City.

DRUNK DRIVER IS FINED IN COURT

W. T. Dickens of Detroit, Mich., was fined \$250 or 50 days in jail by Judge Foster Wilson when he appeared in court on September 10 on a drunken driving charge.

His companion and owner of the automobile, Joseph W. Dunaway of Long Beach was at the same time charged with being drunk in and about an automobile and was fined by Judge Wilson to pay \$50 or spend 10 days in jail.

MORE DOME CARS FOR S.P. RAILROAD

Southern Pacific today announced plans to construct six more of its new type dome lounge cars.

D. J. Russell, the railroad's president, said construction of the

six cars will begin soon in SP's
Sacramento shops, following the
basic design of a test model un-
veiled in July by Southern Pacific.

Enthusiastic reaction by passen-
gers who had an opportunity to
ride the car during test runs on
various SP streamliners, Russell
said, has prompted the railroad to
place the order for additional cars.
The first cars on this order are ex-
pected to be ready for regular ser-
vice in March, 1955.

The new dome lounge cars will
be placed on some of Southern
Pacific's premier trains, Claude E.
Peterson, vice president, system
passenger traffic, announced, but
actual schedules have not yet been
determined.

ALCOHOLIC CLINIC PLAN IS STUDIED BY STATE GROUP

SACRAMENTO (CNS)—Califor-
nia's new alcoholic rehabilitation
commission has indicated its first
job will be to gather statistics
which would support a recommen-
dation to the legislature for the
establishment of a state clinic for
alcoholics.

Discussion by members of the

The unique design of the SP
dome car features terracing of the
upper and lower lounge sections
and the upper observation section,
so every seat is under the dome
and no passengers sit beneath the
upper level.

"The spaciousness of the dome
car and the fine views available
from it received most unanimous
approval of its passengers, accord-
ing to questionnaires we asked the
public to fill out on the test runs,"
Peterson said.

commission also indicated the
group will concentrate mostly on
the treatment of alcoholics who do
not want to be treated.

Dr. Joseph A. Parker of Los An-
geles, a member of the commission,
declared that many doctors are re-
luctant to treat alcoholics because
hospitals "don't want alcoholics"
in their wards, making treatment
difficult.

Gov. Goodwin J. Knight called
the first meeting of the commis-
sion, established by the 1954 leg-
islature, to order. He turned over
the meeting to Dr. Theodore K.
Miller of Napa State Hospital,
whom members of the commis-
sion selected as permanent
chairman.

Seven members of the commis-
sion were present, two of the orig-
inal appointees having declined the
governor's appointment.

During the meeting, Knight an-
nounced appointment of Joseph L.
Gabriel of Hollister to serve as the
eighth member, and promised to
name a ninth member soon.

Members of the commission
named Andrew C. Geer, San Fran-
cisco, to head a subcommittee—
consisting of himself, Parker, and
Warren Brown of Richmond—
which will select an executive sec-
retary and begin selection of a four-
man civil service staff for the com-
mission.

The commission indicated it
hopes to fill the \$9000 a year ex-
ecutive secretary post by October 1.

Discussion during the meeting
indicated the commission will form
objectives prior to December in
order to include requests for
funds in the governor's 1955-56
state budget.

The towers of the Golden Gate
Bridge at San Francisco are 746
feet high.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS)—Probably
as long as there are highways,
automobiles and trucks, the con-
troversy over how fast vehicles
should travel will rage. Right now,
there is a move afoot, sponsored
by B. R. Caldwell, California High-
way patrol commissioner, to fix
the speed limit at 65 miles per
hour.

Whether Caldwell is realistic or
not, remains to be seen. Certainly
a fixed speed limit law is much
easier to enforce than a prima
facie speed limit, such as in effect
at the present time.

Fixing the limit at 65 miles per
hour would, in effect, give Cald-
well's patrolmen a tremendous per-
centage of convictions, and to en-
rich the county treasuries, all the
patrolmen would have to do would
be to wait for the free-way speed-
ers who think nothing of travel-
ing 85 and 90 miles an hour, some-
times even faster.

There are three things that con-
tribute to speed on the highways.
First, the construction of super-
freeways, which lend themselves
readily to fast traveling. It is ob-
vious that high speeds are compara-
tively speaking, much safer on a
freeway than on other types of
roadway, and the motorist is quick
to take advantage of this fact.

Second, the manufacture and
sale of high-powered automobiles
capable of high speeds contributes
materially to the 70 to 80 mile clip
indulged in by many motorists.
This is a factor which cannot be
halted except under the most dras-
tic conditions.

Third, the motorist himself is
the most potent cause of high
speed. Many drivers who normally
are cautious push the throttle to
the floor-board on the state's fancy
freeways on the theory that a
powerful car and open four-lane
highway preclude accidents. They
don't.

Caldwell says the 65 mile an
hour top speed limit would pro-
vide the highway patrol with a
"better enforcement weapon" to
cut down the growing number of
speeders, and in this, for the rea-
sons pointed out above, he is not
mistaken. But whether the speed
limit would convince a motorist
with a car capable of cruising at
80 miles an hour that the speed
limit should be observed, is an-
other question.

And there is also the question
as to whether the highway patrol
would make any more arrests than
they do at the present time. A
good example of a top speed limit
and lack of enforcement is the Yolo
causeway, a four-lane bridge across
Yolo by-pass three miles in length.
The state fixed 45-miles an hour
as top speed limit on this partic-
ular stretch of U. S. 40.

Yet scores of people who know
the road is dangerous, and attempt
to observe the 45-mile limit, are
somewhat started in crossing the
bridge to be passed by automobiles
traveling 60 and 65 miles an hour
without any interference on the

NORTH TAHOE

By JUDGE HARRY CHARRISON

As I write this on Monday morning, I fancy I can hear a good

citizen by the name of C. W. (Bill) Vernon of Tahoe City singing "Happy Days Are Here Again" and wondering how best he can spend the \$10,000 he won at Joby Lewis' Cal-Vada Lodge, Crystal Bay, the night before. Ten thousand dollars

—can you imagine that—and did me a whole lot of good to know that I had the pleasure of drawing the numbers that did the trick. I am told that Bill was flabbergasted, that his good wife had to call bingo. The building was packed, some of the participants sitting on the floor or any other vacant spot since early morning. I had the distinct pleasure of assisting C. W. (Bud) Young, sheriff of Washoe County, and Eugene Jarvis at the historic event. It was truly that. Our friend, Joby Lewis, eloquently thanked everyone concerned for the splendid cooperation and support which he had received during the season, but the credit should go to Joby and Helen for giving the people of the community and our visitors more entertainment than has been offered to our community. The season may be almost over, but Joby intends to carry on with his bingo games intending to give away another 1954 auto. Can you beat that?

Loma Sorensen had a swell day at the County Fair last Sunday, and I am told that her brother, Ray, who

is in Florida is getting his wish. Someone is driving his car down for him and that will make him very happy, I am sure.

Had a visit from some friends from Pasadena that we had not seen for a good many years, by the name of Mr. and Mrs. Shigley. They too, like all the rest that drop in on the lake said, "How wonderful, we just have to come up here to stay."

Good news. Little Robin Miedema who had been very sick in New Orleans is really on the mend and it is now hoped that no after effects will stop its progress in becoming quite normal soon.

The Ray Davises of the golf course had quite a house full over the weekend when no less than 18 dropped in on them.

Hugh and Mrs. Johnson and children have been up as our neighbors for a short stay. They are intending to make extensive repairs on their home on Brassie avenue.

It is really surprising how many new places are being built in the area, not only on the highway but back in real nice places too. Hope

there will be enough to keep most of our mechanics busy for a while.

Yes, now we know the name of Mrs. Bitler's wee baby girl that was born last week.

The folks are too excited. But since we all agree. But someone ought to tell you, I guess its up to me.

So its Christine Anne. Don't you think its cute? I'll be seeing you. I hear the Bradens are going out for the winter. We are going to miss them, especially with Jack's snowplow plowing here and there.

Hope they have a nice winter. And now they tell me: Jay and Mrs. Hill are honeymooning. The Rev. Thomas of the Methodist Church in Reno performed the marriage ceremony last week. The honeymoon will be short for now, but they are contemplating a good one later, when it is rumored, they will journey to Mexico. Hershall, the son of Jay the groom, was best man, and Dorothy Hershall's wife was matron of honor. All of their friends wish the happy couple a calm sea and smooth sailing on the sea of matrimony.

Almost forgot, another local resident, Mrs. Pitts of Sun and Sands won a 1954 Oldsmobile convertible at Cal-Vada Lodge last week. Other winners, I hear, were Mrs. Bud Mandeville and Irma Lucas, who won some cash prizes.

Well the season's rush is over, and Carol Howard, our postmaster, and her staff can breathe a sigh of relief. We must all agree that they did a swell job and now we must find a way of doing a swell job on the outside of the office as the parking situation was intolerable during the summer. The people of the community must find a solution. One way of course would be to have 10 or 15 minute parking. As is has been, people have parked there all day long and our visitors get parking tickets for double parking. "Taint fair is it? Let's do something."

The John Eybels of Brassie avenue have left for their home in Bakersfield with the same reluctance and like the rest of our summer residents, are looking forward to next summer.

OLD SCHOOL WILL SERVE AS NURSERY

TAHOE CITY — Mrs. Elaine Wright, who will teach the Co-operative Nursery School at Tahoe City and Truckee, this week announces that on Thursday September 16, clean-up day will be held at the little old red schoolhouse behind the main Tahoe Lake Grammar School, to ready the rooms for the little tots two to pre-kindergarten age. Tables and chairs are still very much needed, and donations will be welcome. School for this age group starts in Truckee on September 15, hours 1 to 4 p.m. and at Tahoe Lake classes start on September 20, hours from 8:30 to 11:30 a.m. each Monday, Wednesday and Friday.

E. M. Frost, who has been at Kings Beach for the summer, left for Fontana.

Col. R. C. Jones wrote from Carnelian Bay that they are returning to Los Gatos.

The George Lewis family planned to close their Tahoe Pines place for the season, to return to Beverley Hills.

FIRST AID CLASSES ARE STARTED LAKE

TAHOE CITY—Standard first aid classes started in the Tahoe Lake Grammar School on Tuesday evening last and will continue every Tuesday and Thursday evenings at 8 p.m., with a two-hour session, the course to require 18 hours in all. Mrs. Marie Henry and Gordon Butterfield, both qualified instructors, will alternate.

Signed up for the course are C. F. Christiansen and Melvin Throop of Kings Beach; Lorin Ferdinand, Jr., and Hugh Smith, Jr., of Truckee; Malcolm Fox, Squaw Valley; Norman Wilson, Barbara Spitsen and daughter, Joanne, Lindo Frodenberg and Lenora Bartell, all of Tahoe City.

TWO OUT OF FIVE AGED GET RELIEF

About two out of every five people aged 65 and over in Nevada County (40 per cent) are already, under present law, on the aid to the needy aged rolls, California Taxpayers' association reported today.

Aged aid case load in the county

is slightly over the state-wide average of about one in every four of the over-65 age group (26 per cent of the population over 65), the association said.

During July, 916 people in the county were on the aged aid rolls. State-wide, aged aid rolls for July included 271,764 people.

From December, 1948, with a case load of 656 in the county, aged aid rolls skyrocketed to 872 for April, 1950. Repeal of the 1948 constitutional amendment went into effect March 1, 1950.

State-wide rolls jumped from 198,301 for December, 1948, to 265,494 for April, 1950. They have climbed only slightly since, to their 271,764 level for July, 1954.

Since then, aged aid rolls in the county and state-wide have held fairly steady, showing a slow upward trend.

Mrs. Sidney Ehrman is in San Francisco after spending the summer at Meeks Bay.

Mr. and Mrs. John Neronde, who spent some time at Tahoe City this summer have gone to Sacramento.

Mrs. Georgia L. Lambert left Tahoe City for Auburn last week-end.

GOVERNOR URGING INDUSTRIAL GAIN TO MAINTAIN PACE

SACRAMENTO (CNS)—The expanding population of California requires that "we must think big, and travel with seven-league boots" to attract industry to the state, Gov. Goodwin J. Knight said in an address prepared for delivery before a labor-management meeting in Long Beach.

Knight estimated that one and a half billion dollars in new capital must be poured into California industry every few years to keep pace with the state's growing population.

In an effort to induce more capital to be invested in California, Knight said he is forming a committee to sell industrialists on the advantages of locating plants in the state.

"I will ask both management and labor to participate in a cooperative selling job so that California may become a magnet for new industry," the governor declared.

In addition, Knight pointed out, the state will need twice as many industrial apprentices than the 17,000 presently in training. He said that although California leads the nation in training skilled craftsmen, many more must be trained to meet the state's industrial potential.

Knight declared that all business conducted in the governor's office is conducted openly.

"Conversations are conducted in full hearing of many persons," he remarked. "There just isn't a chance in my office, of any special groups securing any special favors." Knight added:

"Any action, or any proposal, that can't stand the glaring light of public sight or hearing, doesn't get its feet off the ground in my workshop."

Uniform Drive Starts To Curb Speeding On All Roads Of State

SACRAMENTO (CNS)—California motorists who have gotten away with speeding will find that "things are different now," Highway Patrol Commissioner Bernard R. Caldwell warned today.

At the same time, Paul Mason, state director of motor vehicles, is sued a warning for drivers to observe all traffic laws during the busy month of September.

Intensifying previous warnings to speeders, Caldwell declared:

"Over the years, too many motorists throughout the state have come to interpret the speed limits as they choose. Many drivers to add from 20 to 30 miles per hour to the safe limit and drive accordingly."

He added: "From now on, however, they must realize that the patrol will be alert for every motorist who drives too fast for conditions, no matter what the posted speed may be for that particular area."

"The enforcement policy of the patrol is to issue tickets in every case where speed is greater than lawful and safe to travel."

Mason pointed out that penalties for some traffic law violations do not end with fines or jail sentences. He said all offenses are recorded against the offender on his driver's license.

"Repeaters become subject to the laws authorizing post-licensing control," Mason remarked. "Their licenses may be revoked or suspended for as long as three years."

CANCER DRIVE IN COUNTY IS ENDED

The Nevada County Committee of the American Cancer Society officially closed its 1954 campaign on August 31, with collections amounting to 92 per cent of its original goal of \$1970. The total amount contributed was \$1,815.58, which will go to further the program of research, education and service of the organization. General contributions amounted to \$1,327.63, memorial contribu-

tion market has boosted their employment total to 1,500,000, out of a total nearly five million workers in the state's labor force.

Scharrenberg also cited the growth of labor unions in the state. Fifty years ago, he said, labor union membership totaled 100,000. Now it totals 1,500,000.

The director noted that in 1904 there were only 100,000 women in the California labor force.

PASSING ON RIGHT IS EXPLAINED BY LOCAL SQUAD CHIEF

Capt. Richard B. Langner, commanding officer of the Roseville

tions came to \$155, and the balance of \$322.95 was received from coins which were placed in business houses throughout the county early in June.

The Grass Valley campaign committee headed by John J. Fortier reported contributions of \$73.95. Chairman Willard Rose of the Nevada City committee turned in a total of \$379.30 through Committee Treasurer Miss Elma Hecker.

John W. Finnegan, chairman of the Truckee committee, reported \$542.43 raised by his committee.

The committee for Supervisorial District No. 4, headed by Guy N. Robinson, received contributions totaling \$103.42. Contributions made on a county-wide basis amounted to \$59.48.

Area California Highway Patrol office, has announced that passing on the right is permitted only under the following conditions:

(1) When the vehicle overtaken is making or about to make a left turn.

(2) On a city street wide enough for two or more lanes of moving traffic in each direction.

(3) On a one-way street.

(4) On a highway outside of city with unobstructed pavement of sufficient width and clearly marked for four or more lanes of moving traffic.

(5) On a divided highway where traffic is restricted to one way on each roadway.

"Motorists are cautioned that overtaking and passing on the right is permissible only when such movement can be made in safety, and never by driving off the paved or main traveled portion of the roadway," Captain Langner emphasized.

SMEAR CHARGE MADE AS POLITICAL GUNS ARE LIMBERED UP

SACRAMENTO (CNS)—Politics got under way in Sacramento with a bang this week when Gov. Goodwin J. Knight indirectly charged his Democratic opponent, Richard P. Graves, with a "smear" in connection with a San Diego liquor license.

Implication from Graves was that Edgar Hervey, San Diego attorney, and the governor's campaign manager in San Diego, had profited from a liquor license, unduly.

Knight said he had gone into the matter long before the primary election, found that Hervey was a half owner in a property leased to a cocktail bar, and that there was "no truth at all" in the statements that Hervey got huge profits.

"These wild and unsubstantiated charges," the governor said, "are as bad as the people who actually do wrong things in the liquor business to benefit someone's political campaign."

Ask if Hervey had grounds for slander, the governor replied:

ager in San Diego, had profited from a liquor license, unduly.

Knight said he had gone into the matter long before the primary election, found that Hervey was a half owner in a property leased to a cocktail bar, and that there was "no truth at all" in the statements that Hervey got huge profits.

"These wild and unsubstantiated charges," the governor said, "are as bad as the people who actually do wrong things in the liquor business to benefit someone's political campaign."

Ask if Hervey had grounds for slander, the governor replied:

RETURNING GEESE ENCOURAGING SIGN

SACRAMENTO—Number of Canada geese nesting in the northeastern California appear to be returning to normal this year, an encouraging sign for the overall harvest during the coming waterfowl season.

Waterfowl breeding ground nesting surveys completed by the Department of Fish and Game showed that nesting Canada geese increased by 18 per cent, ending a gradual decline since 1951.

At the same time ducks nesting in California decreased 9 per cent, and coots decreased 24 per cent, according to survey estimates.

Northeastern California goose production represents an important segment of the total California harvest, especially in northern California and the Central Valley area where a substantial portion of the Canada geese available for sports shooting is comprised of resident birds.

Last year's band returns indicated that fewer resident birds than usual were taken, possibly contributing to the increased number of breeders, Fish and Game officials said.

Wilderness areas are open to the public without restrictions except those essential for protection from fire.

"I think he's good lawyer, in fact I knew he is. Persons who have slandered him have had cause to regret it."

The governor said further that Nate Rosenberg, referred to in the attack as a tavern owner, contributed \$375 to his campaign in 1946 as lieutenant governor through the campaign committee. The governor said Rosenberg has "no connection whatever" with the 1954 campaign.

DIVORCE ACTION

A divorce action has been filed in the Placer County Superior Court as follows: Vallie Tex Garrett vs. Laura Belle Garrett, extreme cruelty charged, September 7, 1954.

RECRUITER TO VISIT

Chief Petty Officer T. F. Abernethy, BTC, USN., will be at the post-office in Truckee from 10 to 11 a.m. Tuesday, September 28, to answer questions and accept applications for enlistment in the United States Navy.

DANCE PLANNED

The Block T Lettermen's Association of the Tahoe Truckee High School is sponsoring a dance on Saturday evening following the football game with Douglas High of Minden. The visiting team and followers have been invited to stay and enjoy the affair which will start at 8 p.m.

In the waters of the North Pacific Ocean is found the world's largest octopus—a creature that may attain a spread of 25 feet from arm tip to arm tip.

The Farallone off San Francisco have always been a natural rookery.

LEGALITY OF GAME AT CAL-NEVA GETS OFFICIAL LOOK-SEE

TAHOE CITY—A \$10,000 bingo game teetered between legality and illegality on the California-Nevada state line at Cal-Neva Lodge Sunday.

Investigators who visited the resort during the weekend reported more than 2000 persons played the game on the California side—the state line runs midway through Cal-Neva—with the winners receiving receipts they cashed on the Nevada side.

Bingo is legal in Nevada. It is illegal in California.

Claims No Violation

Sanford Adler, operator of Cal-Neva, contended the game did not violate California law because payoffs were made in Nevada. But Harold G. Robinson, chief investigator for the California attorney general's office, began an investigation with the declaration "the California law prohibits payoffs with anything of value. It would seem a receipt good for a cash payoff anywhere is something of value."

Robinson noted that a payoff made by check has been established as illegal in California, no matter where it might be issued.

Robinson said he notified Sheriff Francis E. West of Placer County to keep an eye on the game. He stated he acted after receiving reports that the bingo game was being run and cash payoffs were being made from the stage in the Cal-Neva dining room on the California side.

Finds Game Going

Sheriff West said he and two deputies went to Cal-Neva and found the game in progress on the California side. "But the cards were sold in Nevada and the payoffs were made in Nevada," West declared. "We were uncertain as to the legal situation and I didn't want to risk a false arrest suit."

The sheriff added he telephoned District Attorney Al B. Broyer who was unable to give an offhand ruling. West stated Broyer told him he would have to study the technicalities involved.

"By that time the game was over," West continued. "Even if Broyer had told me to go ahead I would not have been able to confiscate the equipment and arrest the operators after the game finished."

Did Not See Receipts

West said he did not notice whether winners were given receipts on the California side. Reports are that as recently as Saturday the bingo game was being operated entirely in California. Yesterday, after Robinson had complained, the payoffs were moved across to Nevada.

The Sunday game, heralded as the last of the season, had been advertised as offering prizes totaling \$5000 in cash, and a \$5000 automobile. The Cal-Neva dining room was packed with players who paid \$1 for a bingo card or six cards for \$5.

Experts In Game

Many of the expert players were watching 12 cards at a time. The stage from which numbers were handed to winners is more than 15 feet west of the state line in California.

The game began at 1 p.m. and lasted for an hour and a half. The \$5000 was distributed in prizes of \$1500, \$1000, \$750 and won the auto. It was a special event, limited to the calling of 53 numbers. No one had made a bingo when then numbers ran out.

Observers said that at least two members of the Cal-Neva staff were among the big prize winners. The woman in charge of issuing the bingo cards is reported to have claimed the \$750 prize.

Whether you camp in the mountains or picnic in the park or at the beach, be a neat housekeeper; carry trash home to your own trash can or deposit it in handy receptacles.

Mission Dolores at San Francisco has withstood both fire and earthquakes.

A total of 10,056 predatory animals was destroyed in California in 1953. San Francisco purchased the privately owned Spring Valley Water Company in 1930.

It's the big Success today

You can read it in the sales figures—Buick's the car that's climbing to a phenomenal public preference. For Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And every month strengthens Buick's new leadership position. It's the "hot" car for style, for power, for performance—and, most emphatically, for value.

Any way you look at it, Buick's the buy of the year, hands down. For Buick prices start close to the lowest—just a few dollars above those of the "low-price three." But those few more dollars you pay for a Buick buy you a lot more power, room, comfort, style, ride steadiness. And get this: with our tremendous sales volume right now, we can offer you a really top allowance on your present car. That's the added bonus you get from our big volume.

It's the Beautiful Buy right now

It's the "High Resale" car for years from now

No Wonder—**Buick Sales are Soaring!**

With Buick's year-ahead beauty today, you'll be driving a car that's right up front in the style parade of tomorrow. And when you're ready to resell your Buick, it will still be fresh and new-looking, with the modern features the others will adopt in the coming years. And that means you're bound to get a higher resale price when you do trade it in. Drop in and see this beautiful buy right now.

SWANEE'S Lake Tahoe Letter

Tahoe City, Sept. 12

Dear Tahoeites:
Didn't get to go to the Gold Cup races this year, and as yet haven't the results on hand, but understand some difficulties arose due to wind and rough water, and bad luck plagued some of the big boats. More data on this when the party is over tonight.

Mrs. Marie Henry of Tahoe City has been notified by Betty Robie of Auburn, chairman of the Xmas Seal Sales Committee for Placer County, that she has been again appointed chairman of the Tahoe City area, and Mrs. Alice Sorensen of Tahoe Vista will again serve as chairman for the North Tahoe District. Both ladies will have extra Xmas seals for sale for those wishing to use large quantities on their letters. There will be a meeting held some time in September at Dorothy Oakes' home in Loomis. She is president for Placer County. No mobile unit visited any district in Placer County this year because the money which had accumulated for this purpose normally, was used to purchase a large new X-ray machine. The customary seasonal visits will be scheduled as usual for 1955. Mrs. Henry wishes to have it known that anyone wishing a chest X-ray free of charge may secure one by driving to Auburn where such service is available in the Placer County Board of Health building there. A trained technician is on duty five days a week during the hours of 9 a.m. to 6 p.m., lunch hours included. Money derived from the sale of Xmas seals makes this free service possible.

The Swedish Farmhouse in Tahoe City has closed its doors for the season and owners, Mr. and Mrs. Don Del Carlo have departed for their home in Oakland. Mrs. Helga Olander, mother of Mrs. Del Carlo, is remaining on to keep an eye on the construction of her new cottages being erected near the mouth of Tahoe City Dam. Also departed for the summer are the Ray

Tissues and Frank Morgans of Glendale, who have a summer home on the lakeshore in the Sunnyside district. Mrs. Bert Scott left on Monday morning for her Piedmont home after having spent the summer at the family home on the lakeshore in Miramar Heights. Mr. Scott will follow her in a few days after closing the house for the winter. Another Sunnyside district family which has left for their home in San Francisco is that of the Lewis Marstens, who entertain continuously through the summer season. The Marstens and the Arvid Normans of San Francisco were dinner guests on Friday evening of Captain and Mrs. Bud Scott at their home in Miramar Heights.

Mr. and Mrs. Rodney Yeakel of Sacramento recently enjoyed a week's vacation with their two little daughters, Tamara and Kimberly, at the home of his mother, Mrs. Ward Knapp in Lake Forest. Mrs. Yeakel's elder son, Richard, of San Leandro, is recuperating rapidly from an operation performed on his leg about ten days ago.

The two little daughters of the Don Snyders of Lake Forest, Stephanie and Sandra, returned last week from a gay ten-day vacation spent at the home of their aunt, Mrs. Pete Riolo of Sacramento. While in the capital city they attended opening day at the California State Fair where they "oohed" and "ahhed" all day at the wonderful sights they had never before seen. Before returning home they were honorees at a "going-away" party at their aunt's home, all done up brown in Hawaiian style, another "first" for the two young ladies.

One Tuesday of last week Capt. Charles W. Newman, commander of Sacramento Air Filter Station, Ross Whipple, administrative supervisor of same, Capt. Raymond Hutchins, operation officer head-quarter Squadron of Hamilton Air Force Base and Lieut. Dwight Smith, area supervisor, made a tour of Lake Tahoe Airwatch posts.

Another new home of distinction which will be ready for occupancy around Thanksgiving time is that of the Webb family of San Jose which is now in the course of erection a Rubicon Properties. Paul E. Brown of San Jose is contractor and Lake Forest's Sam Goss is general foreman. The property has a 200 foot lake frontage, and the three-bedroom structure has large plateglass picture windows looking out onto the lake, with a nine-foot fireplace in the 20x42 living room which has a corresponding size rumpus room directly beneath it.

I had a call last week from a Mrs. Evelyn Seymour of Glendale who is anxious to sponsor another long-way lake swimming. She asked about the rules and regulations and asked for a map of Tahoe. But am afraid she will have to wait until next year as the Coast Guard boats are all put up in mothballs for the winter in mid-October and Fred Main will not be here probably in November. That was when she and her swimmer, Robert Hoskins, 27, of Glendale, wanted to make the try. He was raised in Grass Valley (wonder if he's the ex-sheriff's son?) and knows Lake Tahoe. Says she, "Well, if he really knows Tahoe as she says, he will probably also know that he might

FISH, GAME WIND UP PLANTING FROM AIR IN HIGH LAKES

SACRAMENTO—With the dropping of 400,000 golden and cut-throat trout fingerlings this month into water of 60 remote lakes along the crest of the Sierra, the Department of Fish and Game will complete its heaviest aerial stocking program in the six years of this sky-borne operation.

This year over 3,500,000 fingerlings are being planted in about 670 lakes from the Department's twin-engine plane. This is an increase of about half a million fish over the 1953 stocking of just over 3,000,000 fingerlings in approximately the same number of lakes.

Continually improving techniques have enabled Senior Warden Pilot Al Reese and his two fellow pilots to carry bigger loads in better condition than ever before, resulting in a 16 per cent saving in operating costs. This year's aerial stocking cost \$1.05 per thousand fingerlings, against \$1.25 last year. Costs were \$2.98 per thousand in 1949, when the large-scale aerial fish planting program first started. Using the traditional pack horses and mules, the planting of mountain lakes in

have to make his swim in the middle of a snowstorm, which doesn't sound very practical to me, when the others can't make it in mid-summer because of the cold water. I am informing Mrs. Seymour that she must defer their try until next May at least, and will probably hear from her again in the spring.

Good news was the winning of the \$10,000 bingo game at Cal-Vada by Tahoe City's own Clarence Vernon at midnight Sunday, the last game of the summer season, when the big payoff was promised. I asked him a few moments ago how it felt to win a windfall like that, and just what he planned to do with it. He told me that naturally he was surprised, but that he had no immediate plans for spending it. In fact, he is not in any hurry in getting rid of it and plans to put his \$7000 (\$3000 went for federal tax) in the bank and just let it lay a while. He is receiving the congratulations of the entire lake poultry which is glad to have the money won by a local resident. And he was so tired Saturday night, that he almost didn't go, his wife and daughter coaxing him into it at the last moment. May we add our congratulations to all the others!

Leave you for the week with a cheery adios to all. As ever,
SWANEE

Phone 400

earlier days averaged out at almost \$20 per thousand fish.

Because bigger payloads made it possible to cover more lakes on each trip, flying time was shaved by more than 10 per cent. Reese and his planting crew will have spent about 125 hours in the air this year, compared with 140 hours in 1953.

Among the innovations which

made the heavier loads possible, was Reese's idea of introducing pure oxygen content of the water, and development of a cooling system which made it no longer necessary to put ice in the carrying cans. As in 1953 the harmless drug sodium amylal was used to calm the fish in transit.

Special map of your town. Telephone lines above and below the streets of your community are charted on special maps. When delicate instruments detect trouble, these maps help locate buried cables, conduits, manholes and the like . . . and repair crews can get on the job fast. Large cities need thousands of these maps. And they're an important part of the planning that has helped us bring you good service, reliable service, at the lowest possible cost. Pacific Telephone works to make your telephone a bigger value every day.

Interest Mounts As Election Draws Near

With five candidate seeking the three vacancies on the board of directors of the Truckee Sanitary District, interest in the balloting scheduled for Monday between 1 and 7 p.m. is mounting.

Two incumbent directors, Joe Mattos and James McIver have filed their petitions and their names will appear on the ballot. Dave Rose declined to be a candidate for reelection.

Three write-in candidates, Reg Smart, Jack Neugebauer and H. L. Owens have come out as a uniform group pledged to return their district salaries to the fund to provide for street cleaning and are waging a campaign. Only if all three are elected and thus comprise a majority can they assure their pledge, Smart pointed out.

Twin Birth Date—

Mrs. J. H. Bernard returned from Livermore where she attended the dual birth date celebration on September 9 given by Mr. and Mrs. Warren Davison in honor of their 17-year-old daughters, Mary and Donna.

Eves From Woodland—

Mr. and Mrs. Arthur Eve and family of Woodland were on a fishing trip here last weekend.

Sees Parents—

Harold Langille went to Berkeley to see his parents last weekend.

HEARING DELAYED IN WAITRESS CASE

TAHOE CITY—The preliminary hearing scheduled for Tuesday for Mrs. Helen Duffy, Crystal Bay cocktail waitress charged with drunk driving resulting in injuries to three small children last week was postponed by Judge Harry Charrison to a date to be announced later.

The highway patrol asked for a continuance of time to permit the assembling of evidence, the judge said.

Mrs. Duffy was charged with running down Maureen Dixon, 6, Peter Kenney, 6 and the latter's brother, John, 5, all of the Bay area who were walking beside the highway at Agate Bay with Mrs. LaVerne Kenney when the Duffy car is alleged to have struck them.

Grow to Chico—

Tom Grow left for Chico on Thursday to enter college.

In Old Mexico—

Mr. and Mrs. N. F. Dolley will be returning soon from a trip to southern California and Mexico.

Mother Goes South—

Mrs. Robert L. Hall, mother of Mrs. Wesley Fair and Mrs. Keith Stewart left for Long Beach last weekend.

Deeble Better—

Ralph Deeble, Nevada county clerk and auditor, is recovering from a recent minor operation performed at Nevada City.

Sportsmen To Discuss Deer Management In Meeting In Stockton

Gov. Goodwin J. Knight will head a list of 27 prominent speakers who will address the 30th annual convention of the Associated Sportsmen of California, to be held in Stockton, September 17, 18, and 19. The announcement was made by ASC President George Difani.

On Friday, September 17, sportsmen and fish and game department representatives of Nevada and California will meet to discuss interstate deer management problems and the effects of proposed reclamation and flood control projects on the Truckee river and Lake Tahoe.

Also speaking at the conference will be Ira N. Gabrielson, president of the Wildlife Management Institute; R. D. Eschmeyer, executive vice president of the Sport Fishing Institute; and Claude Kelly, president of the National Wildlife Federation.

Congressman Clair Engle of Red Bluff is scheduled to address the convention.

Veteran Board Meets At Stockton Tomorrow

SACRAMENTO (CNS)—The California Veterans Board will meet in Stockton September 17 to consider reports from the state department of veterans affairs that the interest rate on state home loans to veterans be continued at 3 per cent.

A department spokesman said the board is authorized by law to fix the interest rate within limits of two and a half to four per cent.

Alaskan Vacation

Mr. and Mrs. Al Ledgerwood of Richmond were here Tuesday looking after their property at Soda Springs.

The couple took an earlier vacation through Alaska from Anchorage, Nome, and Fairbanks, making the trip by boat, train and airplane. They were so thoroughly impressed with the country that they are planning to repeat the tour next year.

Hellers in City—

Mr. and Mrs. Charles Heller were in San Francisco last week, buying fall and winter stock for their Variety Store.

Teacher in Colorado—

Miss Patricia O'Brien, former teacher here has left Kings Beach for Denver, where she will enter a training course as air line stewardess.

Building in Truckee—

Mr. and Mrs. William Rogers of San Lorenzo Village are building a summer house on their property located on the Truckee river, near Edgewater.

TRUCKEE, CALIF.

Nursery School Holds First Session Here

The Truckee Parent Nursery School held its first session Wednesday afternoon in the kindergarten room of the Elementary School.

With an enrollment of 25 children representing 21 families, the afternoon was spent getting acquainted with the teacher, Mrs. Bruce Wright, listening to records, playing in small groups, having a snack and a rest period.

Five or six mothers will attend each session to assist the teacher and to observe and learn how to help their own pre-schoolers adjust to the group. The parents will also attend meetings at night to discuss the behavior of children of this age and to make and repair equipment. The acquiring of enough equipment is the next project of the group. A start has been made with building blocks donated by the Donner Trail Lumber Co. and prepared by Cub Scout Den 2.

Anyone wishing to contribute suitable toys or equipment is urged to call Mrs. Oliver Scow or Mrs. W. H. Robinette.

Salvation Army Official Praises Local Group

Brig. Ruth B. McCann, who was recently promoted from the rank of major in the Salvation Army and who is well known here, was a Truckee visitor this week, calling on members of the local committee.

Brig. McCann highly praised the work of the local committee in its support of worthy causes and stressed the fact that the local emergency fund, controlled entirely by the local committee, was substantially swelled during the recent fund drive.

The officer extended an invitation to anyone in this area to attend a reception for the newly elected General Wilford Kitting of London, England, who will visit the Linton Children's Home in Sonoma, September 23.

N. F. Dolley is chairman of the local committee.

Goos to School—

Mr. and Mrs. Harry Stout took their daughter, Linda, to Auburn where she is attending school.

From Crescent City—

Mrs. I. Firpo went to Crescent City on Monday with her mother, Mrs. M. Kaer, who had been a guest of her son-in-law and daughter.

Date Noted—

Mrs. Elden Tonini celebrated her birthday on September 12 at a family gathering.

KAISER'S SCOOTER WINS GOLD CUP AT ANNUAL RACE

CAMP RICHARDSON—Henry J. Kaiser's 2000 horse power Scooter, driven by Jack Regas, captured the \$500 Mapes Gold Cup at the annual Sky High Regatta here Sunday in a race featured by thrills, heartbreak and hard work.

The Scooter captured 1000 points during the two days race, Saturday and Sunday.

The lake was rather choppy for the events, but that didn't prevent the powerful boats and nifty drivers from exerting all efforts to set new records for the course.

The heartbreaks came to Stan Dollar, last year's winner and Bill S'ead of Reno when both their high-power and expensive boats sank in shallow water. Both were soon retrieved by salvage equipment.

Because of the wind and choppy water, many of the events were cancelled late Sunday, one being the women's championships.

Stead's Hurricane took second place with 925 points. Although unable to finish, Dollar's Short Shorter took third place with 625 points.

California Kid, driven by George Mattucci was fourth with 307 points while fifth place to J. Phillip Murphy's Breathless with 227 points. Kaiser's second entry, Restless was sixth with 127 points.

The affair was sponsored by the Lake Tahoe Sierra Chamber of Commerce and despite rather rough weather, the races were a pronounced success, according to Fred Main, chamber president and leading figure in the arrangements and program.

Science Lecture Will Be Heard At Reno

The practical potentialities of applied Christianity will be the theme of a Christian Science lecture to be given by Henry Allen Nichols of Los Angeles, in Church Edifice, 501 Riverside avenue, Reno at 8 p.m., Tuesday evening, September 21.

Nichols' appearance is being sponsored by members of First Church of Christ, Scientist, who have invited the public to attend, without charge. The lecturer's subject will be, "The Love and Logic of Christian Science Healing."

Now on a nationwide lecture tour, Nichols is a member of the Christian Science Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

OCCUPANTS ESCAPE IN AUTO ACCIDENTS

No one was injured in the two automobile accidents reported during the past week by the California Highway Patrol.

Both mishaps occurred Monday, the first at 3:40 p.m. one mile west of Truckee when cars driven by Louise Tarmester, Los Angeles, and Joyce Whittenberg, Truckee, crashed in front of the Gateway Park Shopping Center. The former was cited by Patrolman Roy Stallard for making a left turn without signaling.

The second crash happened two miles east of Soda Springs when cars operated by Henry Ransbottom, Modesto and Robert McDonald, Illinois, collided in a head-on sideswipe collision. Ransbottom was cited for being on the wrong side of the center line.

Mr. and Mrs. J. E. Kaler who spent the summer here, have returned to Sacramento where he has a position with audi-visual education in the schools.

Mr. and Mrs. Paul Kaspian were business visitors this week in San Francisco.

Tony Pace attended the funeral services at Auburn for Dr. John Gordon Mackay.

Changes Address—Mrs. Jesse Taylor, who spent several weeks at Tahoe City has changed her address to Butte City.

CHARLES MACKLIN ACTED IN SHAKESPEARIAN ROLES FOR 66 YEARS!
HE PLAYED "MACBETH" AT 92!
- London, 1789 -

CURLY KAYOE

by SAM LEFF

MR. CAYTON CALLED A LITTLE WHILE AGO, CURLY - HE WANTS YOU TO DROP BY HIS HOUSE!

THANKS, MOM -

RALPH CAYTON THINKS I CAN HELP HIM MAKE HIS SON, BARRY, BEHAVE!

WELL - I'M SURE YOU CAN, CURLY.

HI, RALPH - WHERE'S LITTLE BARRY?

I'M GLAD YOU'RE HERE, CHAMP - YOU ARE THE KID'S IDEAL... MAYBE YOU CAN MAKE HIM BEHAVE - I CAN'T SEEM TO DO IT!

MATTER OF FACT - I JUST MADE HIM STAND IN A CORNER AGAIN!

I'LL HAVE A TALK WITH THE BOY, RALPH!

WHAT DID YOU DO THIS TIME, BARRY?

I GOT IN A FIGHT WITH RONNIE KLEMPNER - BUT I DON'T MIND BEING PUNISHED LIKE THIS!

WHAT? DON'T TELL ME YOU LIKE HAVING TO STAND IN A CORNER!

IF IT'S GOOD ENOUGH FOR YOU - IT'S O.K. WITH ME, CHAMP! I SAW YOUR LAST FIGHT ON TELEVISION...

AND WHEN YOU KNOCKED THAT GUY DOWN, THE REFEREE MADE YOU STAND IN A CORNER 'TIL HE COUNTED TEN!
